- ✓ **ACER and CEER Joint 2016 Market Monitoring Report**
- The Agency prepares an annual market monitoring report in close cooperation with the European Commission, National Regulatory Authorities and other relevant organisations under Article 11 of Regulation (EC) No. 713/2009.
- This year, the report has a slightly different structure:
 - ✓ The Main report & four thematic sections on:
 - ✓ Retail markets,
 - ✓ Consumer protection and empowerment,
 - ✓ the gas wholesale market and the electricity wholesale market
- The gas and electricity wholesale sections were published on 15 September.
- A workshop was held on 21 September in Ljubljana to discuss key findings from the wholesale sections.
- It is intended to publish the report on 9 November. A launch event will be held in Brussels on 9 November (10.00-12.30) to present to stakeholders. The report will be also presented to European Parliament ITRE committee.

- ❖ ACER has passed all NC to the Commission
