

**Public Consultation and Workshop on Transparency in Gas  
Markets: Monitoring of compliance by TSOs against the Third  
Package Gas Transparency Requirements  
PC\_2012\_G\_11**

**Questionnaire and invitation to respond**

ACER will appreciate any views from stakeholders on the responses provided by the TSOs, by answering to the following questions:

1. What are your views on the overall **quality, consistency, frequency and availability** of the **information published by TSOs** in order to comply with the Transparency requirements in Gas Regulation EC/715/2009? Are there any areas of improvement?
2. Do you consider that the **questionnaire responses accurately reflect the information** that is made publicly available by TSOs in order to comply with the Transparency requirements in Gas Regulation EC/715/2009? If you consider they do not, please indicate where you disagree and provide specific examples.
3. Is the information published by TSOs in order to comply with the Transparency requirements in Gas Regulation EC/715/2009 **user-friendly**? Where you consider the information is not user-friendly, please provide specific examples.
4. Is the information published by TSOs in order to comply with the Transparency requirements in Gas Regulation EC/715/2009 **available free of charge and without registration or subscription**? Where you find it is not, please provide specific examples.
5. Do you consider that the information required to be published at all relevant points (Annex 1, Chapter 3, Article 3.3, (1)(a-g)) is published **as soon as available to the system operator ("near real time")**? If not, please provide specific examples.

## **How to respond to this consultation**

We welcome responses to the questions raised in this letter (or any additional remarks) by sending an e-mail to [TransparencyGas@acer.europa.eu](mailto:TransparencyGas@acer.europa.eu) until the **31 August 2012**. Any stakeholder operating or established in any of the countries where TSOs in Annex 2 operate is welcome to send feedback to this consultation.

Unless marked confidential, all responses will be published on ACER's website. Respondents wishing to keep their responses confidential should clearly mark the document or parts of it that they wish to remain as such, and justify their request for confidentiality.
