

CURRICULUM VITAE

Name	<i>Pál Kovács</i>
Position / Involvement in the Board or Agency	<i>Alternate Member of the Administrative Board</i>
Professional experience	<p><i>1988-2004 Paks Nuclear Power Plant</i></p> <ul style="list-style-type: none"> - <i>Engineer: Plant operation support;</i> - <i>Head of Section: Aging Management; PSA; Plant Condition Control;</i> - <i>Chief Engineer: NPP Decommissioning; Periodic Safety Review;</i> - <i>Technical Adviser to Deputy CEO;</i> - <i>Project Manager: Paks NPP Extension;</i> - <i>Technical Adviser to CEO and Secretary to the Board of Directors;</i> <p><i>2004-2009: Administrator to the OECD NEA;</i></p> <p><i>2009-2010: Adviser to the CEO of the Paks NPP;</i></p> <p><i>2010-2011: Deputy State Secretary for Energy, Ministry of National Development;</i></p> <p><i>2012-2014: State Secretary for Energy, Ministry of National Development;</i></p> <p><i>2014-2017: Adviser to the CEO of the Paks NPP;</i></p> <p><i>2017-: Head of the Cabinet, Minister responsible for the planning, construction and commissioning of the two new units of the Paks NPP</i></p>
Education	<p><i>1982-1988: Engineer - Heat Physicist-Moscow University for Energy;</i></p> <p><i>1994-1996: Economist-Budapest Institute for Trade and Commerce;</i></p>

Training/seminars	<i>IAEA -International Training Course on Probabilistic Safety Assessment; 1989-Obninsk, Russian Federation;</i> <i>IAEA-International Training Course on NPP Project Management; 1996, Madrid, Spain</i>
Publications	<i>Attached</i>

I understand that the Curriculum vitae will be processed according to the Policy for the prevention and management of conflicts of interest, entered in a register held by the Agency and published on the Agency's website.

Please note that the Agency will ensure that your personal data hereby submitted is processed in line with Regulation (EC) No 45/2001 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data¹. For more details on the processing of your personal data, see the privacy statement applicable to your situation².
