

**DECLARATION OF INTERESTS FORM
FOR THE YEAR 2018**

This Form should be used for the Declaration of Interests, as referred to in the Decision of the Administrative Board of the Agency for the Cooperation of Energy Regulators AB n° 02/2015 of 31 January 2015 (hereinafter “AB Decision 02/2015”) and, where relevant, reflecting the legislative background (Directive 2009/72/EC, Directive 2009/73/EC and Regulation (EC) No 713/2009).

Broadly speaking, there is a conflict of interest where the impartiality and objectivity of a decision, opinion or recommendation of the Agency and/or its bodies, is or might in the public perception be compromised by an interest held by, or entrusted to, an individual working for the Agency. However, having an interest does not necessarily mean having a conflict of interest. In particular, high quality of expertise is by nature based on prior experience. Declaring an interest does therefore not automatically disqualify someone or limit their participation in the activities of the Agency.

The Declaration of Interests form is not intended to provide an exhaustive list of potential interests: other elements that might jeopardise the independence of those involved when working in or with the Agency should also be indicated in the Declaration.

The completed Declarations will be reviewed in accordance with the Agency’s Policy for the prevention and management of conflicts of interest.
